Safe homes get more savings

Branch's goal is to make insurance more affordable, so our renters coverage is eligible for savings, just like all our policies. You can go paperless, bundle to save on auto, or even take advantage of our Connected Home discount—just like homeowners, you can keep your stuff extra-safe with professional home monitoring while lowering the cost of your policy.

Our renters coverage. Your peace of mind.

- Protection for the stuff you keep in your home against potential theft or damage
- Coverage for the cost of extra living expenses if your home becomes temporarily unlivable
- Legal protection if you're responsible for damage or injury to someone else
